**SIX-MONTHLY REPORT ON  
PROGRESSIVE COMPLIANCE TO ENVIRONMENTAL CLEARANCE CONDITIONS**

Project name:	Onshore Oil and Gas Development & Production in AA/ONDSF/HAZARIGAON/2018 Hydrocarbon Block (30.74 Sq.Km), Golaghat District, Assam
Environment Clearance letter no.:	EC Identification No.EC23A002AS110755 dated 11 <sup>th</sup> October 2023
Reporting period:	October 2025 to March 2026
Project activity during reporting period:	Extended Well Testing carried out in this reporting period.
Overall status of activities w.r.t project defined in EC:	<b>Project defined in EC:</b> •Drilling of Development & Production wells :05 Nos. •Production of 3600 BOPD Crude Oil and 24 MMSCFD Natural gas.
	<b>Overall Status:</b> Extended Well Testing in progress.

S.No.	EC Conditions	Compliance Status
<b>A.</b>	<b>Specific Conditions:</b>	
(i)	The environmental clearance is subject to obtaining prior clearance from the wildlife angle, including clearance from the Standing Committee of the National Board for Wildlife, as applicable, as per the Ministry's OM dated 8th August 2019. Grant of environmental clearance does not necessarily imply that Wildlife Clearance shall be granted to the project and that their proposal for Wildlife Clearance will be considered by the respective authorities on its merit and decision taken. PP shall also strictly follow the conditions mentioned in existing NBWL clearance.	<b>Noted</b>
(ii)	The project proponent shall prepare a site-specific conservation plan and wildlife management plan in case of the presence of Schedule-1 species in the study area, as applicable to the project, and submit to Chief Wildlife Warden for approval. The recommendations shall be implemented in consultation with the State Forest/ Wildlife Department in a time bound manner.	Wildlife Conservation had been prepared for the block and submitted to PCCF-WL vide letter no. AA/ONDSF/HAZARIGAON/2018/WLC/2 dtd. 22/08/2022. Following measures had been adopted: • Fencing had been done around the well pads including to prevent any encounter with wild animals. • Awareness program had been carried out among working personnel involved in the project activities. • Road signages are being provided
(iii)	The company shall comply with all the environmental protection measures and safeguards proposed in the documents submitted to the Ministry. All the recommendations made in the EIA/EMP in respect of environmental management, and risk mitigation measures relating to the project shall be implemented (Annexure - I).	All environmental protection measures as mentioned and submitted in EMP in EC application are being followed.
(iv)	No pipelines or its part shall be laid in the Forest land/Protected Area without prior permission/ approval from the Competent Authority.	No forest land involved. No pipelines or its part has been laid in the Forest land / Protected Area.
(v)	Total freshwater requirement shall not exceed 25 m <sup>3</sup> / day per well from groundwater. Prior permission shall be obtained from the concerned regulatory authority.	Fresh water requirement of 87 kld per well drilling will be met locally through water tankers. No groundwater will be used/ abstracted for the project activity.
(vi)	PP shall conduct third party audit of compliance of EC condition at an interval one year and its report shall be submitted to IRO, MoEF&CC.	<b>To be complied</b>

S.No.	EC Conditions	Compliance Status
(vii)	The project proponent will treat and reuse the treated water within the factory and no waste or treated water shall be discharged outside the premises. Mobile ETP coupled with RO shall be installed to reuse the treated water in drilling system. Size of the waste shall be equal to the hole volume+ volume of drill cutting and volume of discarded mud if any. Two feet free board may be left to accommodate rainwater. There shall be separate storm water channel and rainwater shall not be allowed to mix with wastewater. Alternatively, if possible, pit less drilling be practiced instead of above	<b><u>To be complied.</u></b>
(viii)	Produced water separation from subsurface (well) fluid and other effluent shall be treated at on-site ETP (Through Physico-chemical treatment system). And after treatment of produced water & other treated effluents will be disposed off in abandoned well/ deep dump well as per the GSR 546 (E). No discharge shall be done to the surface.	<b><u>To be complied.</u></b>
(ix)	During production, storage and handling, the fugitive emission of methane, if any, shall be monitored using Infra-red camera/ appropriate technology.	<b><u>Complied.</u></b> On field gas detectors has been installed at site for the EWT (Extended well testing unit).
(x)	Approach road shall be made pucca to minimize generation of suspended dust.	<b><u>Noted</u></b>
(xi)	The project proponent shall make all arrangements for control of noise from the drilling activity. Acoustic enclosure shall be provided for the DG sets along with the adequate stack height as per CPCB guidelines.	<b><u>Noted</u></b>
(xii)	The company shall construct the garland drain to prevent runoff of any oil containing waste into the nearby water bodies. Separate drainage system shall be created for oil contaminated and non-oil contaminated.	<b><u>Complied.</u></b> No runoff of any oil containing waste into the nearby waterbodies. Separate drainage is provided to prevent any mixing of storm water with any effluent and oil containing waste.
(xiii)	Drill cuttings separated from drilling fluid shall be adequately washed and disposed in HDPE lined pit. Waste mud shall be tested for hazardous contaminants and disposed according to HWMH Rules, 2016. No effluent/drilling mud shall be discharged/ disposed of into nearby surface water bodies. The company shall comply with the guidelines for disposal of solid waste, drill cutting and drilling fluids for onshore drilling operation notified vide GSR.546(E) dated 30 <sup>th</sup> August,2005.	<b><u>To be complied.</u></b>
(xiv)	Oil spillage prevention and mitigation scheme shall be prepared. In case of oil spillage/ contamination, action plan shall be prepared to clean the site by adopting proven technology. The recyclable waste (oily sludge) and spent oil shall be disposed of to the authorized recyclers.	<b><u>Complied.</u></b> Oil spillage Prevention and Mitigation Scheme has been and submitted in EC application.
(xv)	The project proponent shall take necessary measures to prevent fire hazards, containing oil spill and soil remediation as needed. At fixed installations or plants use of ground flare shall be explored. At the place of ground flaring, the overhead flaring stack with knockout drums shall be installed to minimize gaseous emissions during operation.	<b><u>Complied.</u></b> All necessary measures are adopted to prevent fire hazards.

S.No.	EC Conditions	Compliance Status
(xvi)	The project proponent shall develop a contingency plan for H <sub>2</sub> S release including all necessary aspects from evacuation to resumption of normal operations. The workers shall be provided with personal H <sub>2</sub> S detectors in locations of high risk of exposure along with self-containing breathing apparatus.	<b>Not Applicable.</b> Presence of H <sub>2</sub> S not anticipated.
(xvii)	Blow Out Preventer system shall be installed to prevent well blowouts during drilling operations.	<b><u>To be Complied with.</u></b>
(xviii)	On completion of the project, necessary measures shall be taken for safe plugging of wells with secured enclosures to restore the drilling site to the original condition. The same shall be confirmed by the concerned regulatory authority from environment safety angle. In case of hydrocarbon not found economically viable, a full abandonment plan shall be implemented for the drilling site in accordance with the applicable DGH/ Indian Petroleum Regulations.	Noted and will be complied with.
(xix)	PP proposed to allocate Rs.1.8 Crores towards Extended EMP (CER) which shall be spent as submitted in CER plan. Further, all the proposed activities under CER shall be completed before the commissioning of the plant in consultation with District Administration (Annexure - II).	<b><u>To be complied with.</u></b>
(xx)	No lead acid batteries shall be utilized in the project / site.	<b><u>Not applicable.</u></b>
(xxi)	Occupational health surveillance of the workers shall be carried out as per the prevailing Acts and Rules. All workers & employees shall be provided with required safety kits/ mask for personal protection.	<b><u>To be complied with.</u></b>
(xxii)	Oil content in the drill cuttings shall be monitored and report & shall sent to the Ministry's Regional Office.	<b><u>To be complied with.</u></b>
(xxiii)	The project proponent shall prepare operating manual in respect of all activities, which would cover all safety & environment related issues and measures to be taken for protection. One set of environmental manual shall be made available at the drilling site/ project site. Awareness shall be created at each level of the management. All the schedules and results of environmental monitoring shall be available at the project site office. Remote monitoring of site should be done.	<b><u>Complied</u></b> Operating manual prepared and made available covering environment and safety related issues.
(xxiv)	PP shall sensitize and create awareness among the people working within the project area as well as its surrounding area on the ban of Single Use Plastic in order to ensure the compliance of Notification published by MOEFCC on 12 <sup>th</sup> August 2021. A report along with photographs on the measures taken shall also be included in the six-monthly compliance report being submitted to concerned authority.	<b><u>Complied.</u></b> An awareness session has been conducted on the ban of Single Use plastic among the project personnel and nearby community/ villagers.
<b>B.</b>	<b>General Conditions:</b>	<b>Compliance</b>
(i)	No further expansion or modifications in the plant, other than mentioned in the EIA Notification, 2006 and its amendments, shall be carried out without prior approval of the Ministry of Environment, Forest, and Climate Change/ SEIAA, as applicable. In case	<b><u>Noted</u></b>

S.No.	EC Conditions	Compliance Status
	of deviations or alterations in the project proposal from those submitted to this Ministry for clearance, a fresh reference shall be made to the Ministry/ SEIAA, as applicable, to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.	
(ii)	The energy source for lighting purpose shall be preferably LED based, or advanced having preference in energy conservation and environment betterment.	<b><u>Complied.</u></b> LED bubs/tube lights had been provided at the site. Moreover, solar panels are installed for common area/ external lighting.
(iii)	The overall noise levels in and around the plant area shall be kept well within the standards by providing noise control measures including acoustic hoods, silencers, enclosures etc. on all sources of noise generation. The ambient noise levels shall conform to the standards prescribed under the Environment (Protection) Act, 1986 Rules, 1989 viz. 75 dBA (daytime) and 70 dBA (night-time).	<b><u>Complied.</u></b> Ambient Noise level monitoring has been carried out at site. Summary of Environmental Monitoring results are provided in <b><u>Annexure-1.</u></b>
(iv)	The company shall undertake all relevant measures for improving the socioeconomic conditions of the surrounding area. CER activities shall be undertaken by involving local villages and administration and shall be implemented. The company shall undertake eco-developmental measures including community welfare measures in the project area for the overall improvement of the environment.	<b><u>Noted</u></b>
(v)	The company shall earmark sufficient funds towards capital cost and recurring cost per annum to implement the conditions stipulated by the Ministry of Environment, Forest and Climate Change as well as the State Government along with the implementation schedule for all the conditions stipulated herein. The funds so earmarked for environment management/ pollution control measures shall not be diverted for any other purpose.	<b><u>Noted</u></b>
(vi)	A copy of the clearance letter shall be sent by the project proponent to concerned Panchayat, Zilla Parishad/ Municipal Corporation, Urban local Body and the local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal.	<b><u>Complied.</u></b> Copies of the environmental clearance has been submitted to the Heads of local govt. and municipal bodies in addition to the relevant government offices vide our office dated 16.01.2024.
(vii)	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated Environmental Clearance conditions including results of monitored data (both in hard copies as well as by e-mail) to the respective Regional Office of MoEF&CC, the respective Zonal Office of CPCB and SPCB. A copy of Environmental Clearance and six-monthly compliance status report shall be posted on the website of the company.	<b><u>Complied.</u></b> Six-monthly compliance report is being submitted to the IRO of MoEF&CC, Zonal Office of CPCB and PCB, Assam regularly as per the schedule i.e. 01 <sup>st</sup> Jun & 01 <sup>st</sup> Dec every year.
(viii)	The environmental statement for each financial year ending 31 <sup>st</sup> March in Form-V as is mandated shall be submitted to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of environmental	<b><u>Complied.</u></b> Environmental Statement for FY2024-25 has been submitted to Pollution Control Board, Assam vide ref. no. HZRG -1 (AA-ONDSF-Hazarigaon/2018)/2025/Form-V/1 dtd. 15.09.2025.

S.No.	EC Conditions	Compliance Status
	clearance conditions and shall also be sent to the respective Regional Offices of MoEF&CC by e-mail.	
(ix)	The project proponent shall inform the public that the project has been accorded environmental clearance by the Ministry and copies of the clearance letter are available with the SPCB/ Committee and may also be seen at Website of the Ministry and at <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> . This shall be advertised within seven days from the date of issue of the clearance letter, at least in two local newspapers that are widely circulated in the region of which one shall be in the vernacular language of the locality concerned and a copy of the same shall be forwarded to the concerned Regional Office of the Ministry.	<b><u>Complied.</u></b> Public Notice for Environment Clearance granted to the project has been published in two local newspapers namely 'The Assam Tribune' and 'Dainik Janmabhoomi' on 25.04.2024. Copy of the Newspaper Advertisements are enclosed in <b><u>Annexure-2.</u></b>
(x)	The project authorities shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.	Noted for compliance.
(xi)	This Environmental clearance is granted subject to final outcome of Hon'ble Supreme Court of India, Hon'ble High Court, Hon'ble NGT and any other Court of Law, if any, as may be applicable to this project.	Noted.

Summary of Environmental Monitoring for  
WP-HZRG-1 in AA-ONDSF-HAZARIGAON/2018 Block  
(Reporting Period: October 2025 to March 2026)

Environmental Monitoring for Ambient Air, DG Stack emissions, and Noise level are carried out for **Well Pad # HZRG-1 in AA-ONDSF-HAZARIGAON/2018 Block** in Well Testing Phase.

Environmental monitoring conducted in November 2025. Monitoring Results are summarized below.

**Ambient Air Quality Monitoring Results in the Well Pad**

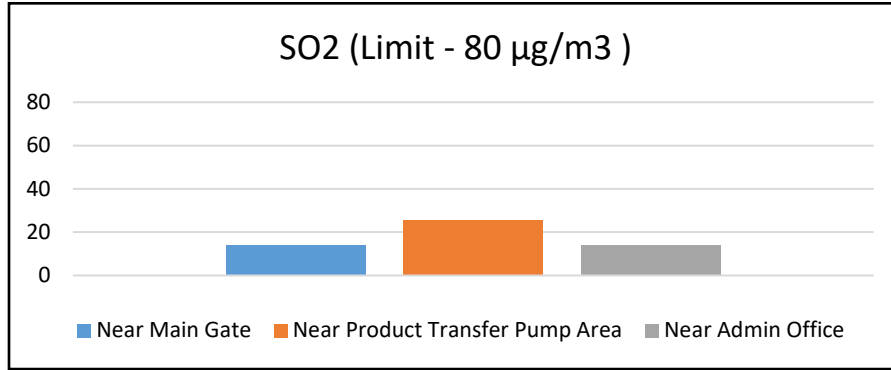

Three locations were selected around the operational areas for AAQ monitoring. The graphical interpretation of the results is provided below.

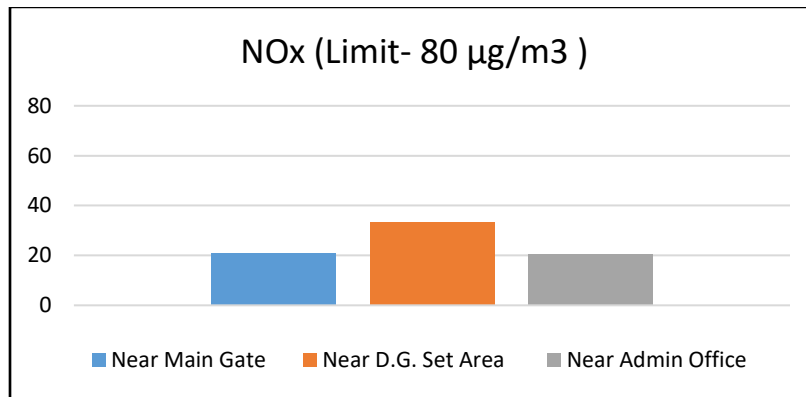

**Figure 1: Graphical representation of average trend of PM<sub>10</sub> in µg/m<sup>3</sup>**

**Figure 2: Graphical representation of average trend of PM<sub>2.5</sub> in µg/m<sup>3</sup>**

# 'Betrayed' safai karamcharis to press NOTA button in Guwahati seat

# Man arrested for circulating morphed 'nude photos' of girl, her friends

STAFF REPORTER

GUWAHATI, April 24: Feeling "betrayed" by the elected representatives for years, safai karmacharis of Guwahati Lok Sabha constituency have decided to press NOTA button of the EVM in this Lok Sabha election.

Talking to *The Assam Tribune*, president of Safaikarmi Anusuchit Jati Students Union, Bhim Basfore, said that they have met both the Congress and BJP candidates and informed them about their issues. But till now none of them have come up with a plan to

address these issues. So, this section of voters has decided to respond by pressing the NOTA button on the poll day.

"Like other parts of the State, safai karmachari of Guwahati Lok Sabha constituency have been facing lots of problems. In every election, every candidate assured us to help us. But after election everyone forgets about our problems. So this time we have decided to press NOTA. We will also organize a meeting to spread the message within the community on Sunday in the city," Bhim said.

The youth leader informed

that lack of permanent jobs in government offices is a serious issue for them. According to him, only around 2 per cent youth of the community now have permanent government jobs. At the same time, frequent eviction by the authorities is a threat to them.

"The policy of the government to engage safai karmacharis in government offices through contractors is a blatant violation of social justice norms. Most of these people are working at very low daily wages. Some of us are earning only Rs 3,000-4,000 per month. It is an injustice. We need permanent jobs at government offices and at least Rs 10,000 as monthly salary in the private sector," he stated.

Bhim even alleged that a syndicate exists in the contractual system, due to which a

number of youths belonging to the Basfore community have failed to get jobs in recent times.

Talking about eviction, Bhim said that in Guwahati, a large number of safai karmacharis are leading a life full of fear of getting displaced at any moment.

"The condition of most of the safai karmachari colonies is very pathetic, where proper potable water facilities and housing are still distant dreams. On the other hand, there have been repeated eviction drives. The present government is spending crores of rupees in different development projects. But very little amount of money has been spent for the development of safai karmachari colonies in the city. Our people are also deprived of availing different

benefits of the Social Justice department," he rued.

Sanju Basfore, a safai karmachari stated that they are the most neglected community in the city. So, this time they will press the NOTA button to express their grievances.

"We are non-political people. We just need to earn a livelihood and have some social security. Every day our people are working relentlessly to keep the city clean. But unfortunately, there is no public representative who would stand with us. So it is better to press NOTA, rather than get betrayed again," Sanju rued.

He stated that safai karmacharis of Guwahati would reconsider their decision, if any candidate gives a commitment to fight against the contractual job system, eviction and social injustice.

STAFF REPORTER

GUWAHATI, April 24: Guwahati Police today arrested a person for allegedly circulating morphed 'nude photos' of a girl and her friends on Whatsapp and other social media sites in a revenge for turning him down.

The person has been identified as 22-year-old Bilal Hussain. The accused hailing from Darrang was arrested from Bengaluru. He had been working at a private firm there as a security guard.

A case was registered with the Cyber PS in this connection on September 28 last year.

Police said that the accused established a close relation-

ship with the girl on a social media platform and introduced himself as Nabajit Nath alias Nabajit Talukdar. Later, the accused also took control of the Whatsapp number of the victim girl.

However, the complainant was unaware of the actual identity of the accused person and she never met him physically.

Once the communication was stopped by the complainant, the accused got revengeful. He threatened the complainant of ruining her life if the communication was not resumed, police said.

According to Guwahati Police, the accused planned to harm the image of the complainant and her friends. He

then collected some photographs of the victim and other girls from social media. These photographs were morphed into nude pictures and he used to send these morphed obscene pictures to the complainant and her friends over whatsapp messages by using different phone numbers.

He also uploaded these morphed obscene pictures on social media platforms and started blackmailing the complainant and her friends demanding illegal and unacceptable favours from these girls.

The accused was produced before a Court here which remanded him to five-day police custody.

## OBITUARY

## Nibedita Hazarika Madhab

GUWAHATI, April 24: Nibedita Hazarika Madhab of Sundarpur here, a socially active and popular person and wife of Kishor Jayanta Madhab, senior vice-president of Assam Olympic Association, passed away on April 24 at 2.39 am at New Delhi after a brief illness. She was 52.

She leaves behind her husband, a son, a daughter and host of relatives. Her last rites were performed at New Delhi today in the presence of her family members, relatives and well-wishers.

**Vedanta Limited (Division: Cairn Oil & Gas)**  
ASF Center, Tower - A, Plot No. 362-363, Jwala Mill Road, Phase IV, Udyog Vihar, Sector-18, Gurugram - 122 002, Haryana

**PUBLIC NOTICE**

This is to inform that:  
The Ministry of Environment, Forest & Climate Change (MoEF&CC), New Delhi, Govt. of India has granted Environmental Clearance (EC) to Vedanta Limited (Div.: Cairn Oil & Gas) for Onshore Oil & Gas Development & Production in the following mentioned hydrocarbon block:

EC Reference Letter No.	Block Name
EC Identification no. EC23A002AS110755 File No. IA -J-11011/ 280/2021-IA-II (I) dtd.11.10.2023	AA/ONDSF/HAZARIGAON/2018 Golaghat District, Assam

The State Level Environment Impact Assessment Authority (SEIAA), Govt. of Assam has granted Environmental Clearance (EC) to Vedanta Limited (Div.: Cairn Oil & Gas) for Onshore Oil & Gas Exploration, Appraisal & Early Production in the following mentioned hydrocarbon blocks:

EC Reference Letter No.	Block Name
EC Identification no. EC23B000AS171446 File No. SEIAA.3247/2022 dtd. 05.01.2023	AA-ONHP-2017/4 Jorhat District, Assam
EC Identification no. EC23B002AS121194 File No. SEIAA.2077/2022, dtd. 20.02.2023	AA-ONHP-2018/1, Golaghat District, Assam

The copy of the above referred Environmental Clearance (EC) letters are available with the State Environment Impact Assessment Authority (SEIAA), Assam/State Expert Appraisal Committee (SEAC), Assam/Pollution Control Board Assam (PCBA) and can also be viewed at the Ministry of Environment, Forest & Climate Change (MoEF&CC) website <https://parivesh.nic.in> and at Vedanta Ltd. (Div.: Cairn Oil & Gas) website <https://cairnindia.com>. This notice is issued in Stakeholder's interest.

## Withdrawal of Assam Asset from Nazira Concern over reported ONGC move

STAFF REPORTER

GUWAHATI, April 24: Leader of the Opposition in the Assam Legislative Assembly, Debabrata Saikia has expressed concern over a media report about public sector giant ONGC allegedly "contemplating to withdraw the Headquarter of Assam Asset from Nazira".

Saikia sent a letter to the District Commissioner of Sivasagar on Wednesday in this regard.

"A news report has been published... today, i.e. dtd. 24 April, wherein it is stated that the ONGC is contemplating to withdraw the Headquarter of Assam Asset from Nazira to

somewhere else. It is reported that already one after another offices, which are parts of ONGC Assam Asset Headquarter has been shifted to some other place. As per the news, already the Geo-science laboratory has been shifted. Now the chemical-science laboratory is also being shifted. I would request you to kindly contact the senior officials of ONGC Assam Asset and find out the actual fact. Further, you are requested to raise the matter of shifting or proposal if any for shifting of any kind of office from ERBC Headquarter and instruct ONGC not to take any such step in order to avoid public resentment," Saikia stated in the letter.

## Book *Envision the Wisdom* released

GUWAHATI, April 24: Author Chiranjib Barooah's latest work, *Envision the Wisdom* was released recently at the Gauhati Press Club, a press release stated. This diverse collection of over 100 articles spans a wide range of topics, offering readers a stimulating journey through the realms of knowledge and insight.

Among the guests present at the event were Saikh Md Sabah Al-Ahmed, Surajit Barooah, Pronami Bhattacharyya and Champak Barbara who enriched the discussions with their perspectives. Barooah emphasized the importance of fostering dialogue and introspection in today's world.

## New turn to pub brawl case: Cop files FIR against owner

STAFF REPORTER

GUWAHATI, April 24: The recent early morning brawl at a pub in the city has taken a new turn with a constable of Basistha Police Station lodging an FIR against one of the owners of the pub for allegedly threatening him.

Three people were picked up by police after they allegedly assaulted an off-duty constable - also from Basistha Police Station - in the early hours of Sunday. The accused were, however, let off after issuing notices.

Another constable of Basistha Police Station Pranjal Saikia stated in an FIR yesterday that Ankur Dutta, owner of Echo Pub and Grill, had threatened him over the phone on Tuesday.

A police official said that a case was registered under relevant sections of the Indian Penal Code (IPC) and further investigation is under way.

Meanwhile, the constable last night posted a video on social media expressing concern about his safety and he alleged that despite filing the FIR, no action was taken against the person. Saikia was today reserved closed for this action.

The owners of the pub, Ankur Dutta and Krishanu Lahkar and the security guard Debakanta Debnath were detained by police after Sunday's incident.

## MLA files FIR against Cong candidate

STAFF REPORTER

GUWAHATI, April 24: Lakhimpur MLA Manab Deka today lodged an FIR with Dispur Police Station against Congress candidate for Lakhimpur parliamentary constituency Uday Shankar Hazarika for 'defaming' him. Earlier, Deka said Hazarika had accused him of circulating an obscene video of the Congress candidate following which a legal notice was sent to him. Hazarika had, however, denied the allegation.

## Special event marks Autism Day

GUWAHATI, April 24: Projonmo, an NGO working

with people with special needs from Survey Guwahati, host-

ed a special event to mark World Autism Month on April

22 with Dr Gayatri Bezboruah, Professor, Department of Paediatrics, Gauhati Medical College as the chief guest, a press release stated.

Dr Bezboruah addressed the importance of good parenting and nutrition in growing children. Children from Projonmo therapy center and daycare unit, show off their talents, along with their mothers. The highlight was the mothers and their children walking down the ramp together, creating a lasting moment for everyone to cherish.
